Name _____

Johannes Gutenberg: The Man Who Changed the World with Printing

Open-Ended Response Answer Key

1. (Student's choice, example: "We might not have as many books, and learning would be slower.")
2. (Student's choice, example: "The internet, because it helps people share information instantly.")
3. (Student's choice, example: "How did you feel when you printed your first book?")
4. (Student's choice, example: "I read about space and learned about planets.")
