

Name _____ **Conditionals**

Conditionals

The chart below summarizes the types of conditional sentences. Study the chart. Then write your own example sentence for each conditional type.

| Type | What It Describes | If clause verb tense | Main clause verb tense | Write an Example |
|--------|---|----------------------|---|------------------|
| Zero | General truths | Simple present | Simple present | |
| Type 1 | A possible condition and its probable result | Simple present | Simple future | |
| Type 2 | A hypothetical condition and its probable result | Simple past | Present conditional or Present continuous conditional | |
| Type 3 | An unreal past condition and its probable result in the past | Past perfect | Perfect conditional | |
| Mixed | An unreal past condition and its probable result in the present | Past perfect | Present conditional | |
