## The Magic Cape

Jake had a magic cape. The cape was blue and had stars on it. When Jake wore the cape, he felt brave and strong. One day, Jake decided to explore the cave near his home. He was a bit scared, but he knew his magic cape would keep him safe.

Jake walked into the cave and saw a huge snake. The snake was asleep, so Jake tiptoed past it. Deeper in the cave, Jake found a large chest. He opened the chest and found a note. The note said, "This chest is full of treasure. Use it wisely!"

Jake was so excited! He took some of the treasure and went back home. He used the treasure to help his friends and family. Everyone was happy, and Jake felt proud.
