## The Adventures of Owl and Cow

Once upon a time, in a big, green meadow, lived an owl and a cow. They were the best of friends and loved to play all day. One day, Owl said, "Let's go on an adventure!"

"Wow, that sounds fun!" said Cow. So, they packed a brown bag with snacks and set off.

They flew over the hills and found a blue pond. "Look, Cow! Let's play by the pond," said Owl. They splashed and laughed until they were tired.

Next, they saw a rainbow in the sky. "Wow, look at that!" said Cow. "It's so pretty."

As they walked home, the sun began to set. "What a great day," said Owl. "We had so much fun!"

"Yes," said Cow. "I can't wait for our next adventure."
