# The Amazing Adventure of the Elephant and the Banana

Once upon a time, there was an elephant named Ella. Ella loved to explore the jungle. One sunny day, she found a strange, glowing banana on the ground. Curious, she picked it up with her trunk.

Ella's friend, the zebra named Zack, saw the glowing banana and said, "Ella, that banana looks magical! We should find out where it came from."

Ella and Zack decided to go on an adventure. They walked through the jungle and met a wise old owl named Oliver. "Hello, Oliver," said Ella. "Do you know anything about this glowing banana?"

Oliver looked at the banana and said, "Yes, that banana is special. It can lead you to a hidden treasure. But first, you must find the rainbow rock."

Ella and Zack thanked Oliver and continued their journey. They walked past tall trees and colorful flowers until they found the rainbow rock. It was shining with all the colors of the rainbow.

Ella touched the rainbow rock with the glowing banana, and suddenly, a map appeared! The map showed the way to a hidden cave filled with treasure.

Excited, Ella and Zack followed the map and found the cave. Inside, they saw shiny jewels and gold coins. They knew they had found the treasure!

Ella and Zack were happy and thanked the glowing banana for leading them to such an amazing adventure. They shared the treasure with their friends and lived happily ever after.
