The Magic Garden Adventure

Once upon a time, there was a little girl named Lily. Lily loved to play in her big backyard. One day, she found a small door behind a tree. She opened the door and saw a magic garden!

In the magic garden, flowers could sing, and trees could talk. Lily saw a bluebird flying. The bluebird said, "Hello, Lily! Welcome to the magic garden. Would you like to play a game?"

Lily said, "Yes, please!" The bluebird asked Lily to find five red flowers, three green apples, and two yellow leaves. Lily was very happy to play the game.

First, Lily found the five red flowers near a big rock. Then, she found the three green apples on a tall tree. Lastly, she found the two yellow leaves on the ground. Lily ran back to the bluebird.

"Well done, Lily!" said the bluebird. "You found everything! Now, let's sing a song together." Lily and the bluebird sang a happy song. Lily had so much fun in the magic garden.

When it was time to go home, the bluebird said, "Come back soon, Lily!" Lily waved goodbye and went back through the small door. She was very happy and could not wait to visit the magic garden again.
