## Grandma's Attic

Lucy loved exploring her grandmother's attic. One day, she found a dusty old chest with a golden lock. Inside, there were colorful scarves, shiny necklaces, and a strange map. "Treasure map!" Lucy whispered excitedly. She showed the map to her brother, Jake, and they decided to follow it. The map led them to the garden, where they dug under a big oak tree. "Clink!" Their shovel hit something. It was a small box filled with glittering marbles and coins. "We found it!" Lucy cheered. "Grandma's secret treasure!"
