

Name \_\_\_\_\_ **Caret**

# Caret

A caret is mark used in proofreading and editing that shows where something needs to be inserted. The words is Latin in origin, from the word *carēre*, meaning "to lack" or "be without".

Trace the caret.

**DIRECTIONS:** Find the place in each sentence where information is missing. Indicate the missing information by drawing a caret where the information needs to go.

1. John is brother.
2. She's a sister mother.
3. Overslept this morning.
4. Let's meet at for lunch.
5. It should start raining noon.
