

Identifying Claims and Evidence

Read the assigned text. What is the author's claim?

What evidence and reasoning does the author use to support the claim?

Evidence

What kind of evidence is it? Circle all that apply.

- | | |
|---------------------------|------------------------|
| Facts and/or statistics | Expert opinions |
| Feeling/Opinion/Intuition | Vocabulary/Definitions |

Analyze the evidence. Is it convincing? Why or why not?
