

# Greek Roots

Find the Greek root in each word. Write the root on the first line. Write the meaning of the root on the second line.

	Root	Meaning of Root
1. isometric	_____	_____
2. gastric	_____	_____
3. myriad	_____	_____
4. organism	_____	_____
5. tachometer	_____	_____
6. enzyme	_____	_____
7. autonomy	_____	_____

Choose **one** of the roots you identified above. See how many other words you can think of that contain this root word.
