## Ella and the Magic Lake

Ella is a happy girl who loves to explore. One sunny day, she finds a path that leads to a magic lake. The water in the lake is bright and blue. Ella feels excited and dips her toe in the water.

Suddenly, a gentle wave carries her to the middle of the lake. Ella sees a huge fish with shiny scales. The fish says, "Hello, Ella! Welcome to the magic lake."

Ella smiles and says, "Hello, fish! What is your name?"

"My name is Leo," says the fish. "Would you like to go on an adventure?"

Ella nods and climbs on Leo's back. They glide over the water and see a giant island. On the island, there are tall trees and colorful flowers. Ella and Leo find a cave with glowing stones inside.

"Wow, this is amazing!" says Ella. "Thank you for the adventure, Leo."

Leo smiles and says, "You are welcome, Ella. Come back anytime!"

Ella waves goodbye and Leo swims back to the shore. Ella runs home to tell her family about her magical day at the lake.
