Underwater Adventure

Let's dive into an underwater adventure! Today, we're exploring the colorful world beneath the waves. As we swim deeper, we come across a graceful creature with a long tail and flowing mane. It's a unicorn fish! "Unicorn" has the long u sound in it. Can you say "unicorn"? Fantastic! Next, we spot a group of sea turtles gliding through the water. "Turtle" also has the long u sound. Can you say "turtle"? Great job!

Now, let's meet the friendliest creature in the sea, the dugong! The dugong is like a big, gentle sea cow that loves munching on seagrass. "Dugong" has the long u sound in it too. Can you say "dugong"? Wonderful!

As we continue our adventure, we encounter a school of colorful fish swimming among the coral reefs. "Fish" has the long u sound. Can you say "fish"? Well done! Today, we've discovered underwater wonders like the unicorn fish, turtle, dugong, and fish, all with the long u sound.
