Let's Go Camping!

Gemma and her friends are super excited because they are going camping in the forest! They pack their tents, sleeping bags, and yummy snacks into the car. Gemma's dog, Benny, jumps in too, wagging his tail with excitement. As they drive through the winding roads, they spot tall trees and chirping birds. Gemma can't wait to explore the wilderness and find hidden treasures!

When they arrive at the campsite, Gemma and her friends set up their tents near a sparkling river. They roast marshmallows over the crackling fire and sing silly campfire songs. As night falls, they gaze up at the starry sky, listening to the gentle rustling of the leaves. Gemma feels happy and cozy in her sleeping bag, surrounded by the sounds of nature and her friends' laughter.
