Pumpkin Patch Mystery

In a hidden pumpkin patch, Jasper and Sophie discovered a mysterious map. They were excited

to find a secret path that led to a temple. The map had a special spot marked with an "X." Jasper felt skeptical about the journey but agreed to go.

As they walked, Sophie tripped over a buried sapphire. Jasper picked it up and noticed a cryptic inscription on it. They followed the map to an empty crypt, where they found an ancient recipe scroll. The scroll described how to make a delicious pumpkin spice pie.

Excitedly, they gathered ingredients from the pumpkin patch. They collected a ripe pumpkin, some fresh raspberries, and a handful of thyme. Jasper and Sophie followed the steps and made the pie. The pie turned out to be a wonderful success, with a crisp crust and a delightful filling.
