

Name _____

Night Quest

On a quiet night, a knight embarked on a quest. He walked past the castle, hearing the faint sounds of crickets.

In the forest, he found a hidden grotto. The entrance was guarded by a mystical beast. The knight stood silently, watching the creature. Suddenly, the beast moved, revealing a path to a secret tunnel. The knight felt an important mission was ahead.

He stepped into the tunnel, his heart full of excitement.

The tunnel led to a treasure hidden for centuries.
