The designated area where artists perform and present their work to viewers.

A physical action or motion used to convey meaning or emotion during a performance.

The group of individuals who observe and respond to the artist's presentation.

The spontaneous creation of actions or dialogue without prior scripting.

The planned sequence of actions or motions designed to structure a performance.

The dynamic physical actions that convey energy, narrative, or emotion.

The compelling energy or command an artist brings to their performance.

The physical environment used creatively to enhance the experience of the performance.

The engagement between artists and viewers or among performers during an event.

The flow and timing that guide the pacing and energy of a presentation.
