Stage - The designated area where artists perform and present their work to viewers.

Gesture - A physical action or motion used to convey meaning or emotion during a performance.

Audience - The group of individuals who observe and respond to the artist's presentation.

Improvisation - The spontaneous creation of actions or dialogue without prior scripting.

Choreography - The planned sequence of actions or motions designed to structure a performance.

Movement - The dynamic physical actions that convey energy, narrative, or emotion.

Presence - The compelling energy or command an artist brings to their performance.

Space - The physical environment used creatively to enhance the experience of the performance.

Interaction - The engagement between artists and viewers or among performers during an event.

Rhythm - The flow and timing that guide the pacing and energy of a presentation.
