Freestyle - A swimming style characterized by an alternating arm motion and a flutter kick, offering speed and efficiency.

Backstroke - A stroke performed while floating on the back, using alternating arm movements and a steady kick.

Breaststroke - A technique involving simultaneous arm movements and a frog-like kick for a smooth glide.

Butterfly - A powerful stroke requiring synchronized arm sweeps and a dolphin-like kick.

Lane - A designated section of the pool, marked with ropes, to separate swimmers during competition or practice.

Flipturn - A maneuver used to reverse direction quickly at the wall while maintaining momentum.

Relay - A team event where swimmers take turns completing segments of the race.

Kickboard - A training tool used to focus on lower body technique and strength development.

Lap - One complete traversal of the pool, from one end to the other and back.

Strokes - The distinct methods of swimming, each with its own rules and techniques for movement in the water.
