

Name _____

The Allergy-Free Adventures

Short Answer Key

1. Tim gained the ability to speak to plants and animals after touching the Pollenbane Blossom. He used these powers to learn the secrets of nature, help plants and animals, and foster harmony in the forest.
2. Tim negotiated with the dragon peacefully by using his ability to communicate with animals. The dragon agreed to give him the Aqua Gem in exchange for Tim's promise to protect the forest and its inhabitants.
3. Tim used the Aqua Gem to bring rain to the drought-stricken forest, revitalizing the landscape and saving the plants and animals.
4. Tim's reputation changed as he became known as a guardian of nature, and people sought his advice on caring for gardens and the environment.
5. Tim's dislike for spring allergies led him to discover the Pollenbane Blossom, which gave him the ability to protect and nurture the natural world, making a positive impact.
