## The Great Arbor Day Tree Swap

### Short Answer Key

1. The group of friends' objective on Arbor Day in Willowville was to secretly swap the trees in their neighborhood as a prank.
2. The townspeople reacted with laughter, confusion, and amusement when they saw the swapped trees on Arbor Day.
3. The amusing sight that greeted the townspeople in the morning after the prank included coconut trees, sunflowers, and banana trees in place of their original trees.
4. The friends revealed to the townspeople that they were responsible for the tree swap.
5. The tree swapping prank brought the community of Willowville closer together by creating laughter and a shared experience that people talked about for years.
