

Name _____

Wildlife Warriors

Short Answer Key

1. Sarah transformed her backyard into a safe haven for rescued tigers, complete with lush vegetation and natural habitats.
2. Jake protected sea turtles by protecting turtle nests, rescuing injured turtles, and participating in sea turtle rehabilitation programs. He also cleaned up the beaches and educated the community about marine life conservation.
3. Maya raised awareness about endangered parrots by transforming her family's backyard into a paradise for these colorful birds, providing them with shelter and nourishment. She also worked closely with local schools to educate students about conservation efforts.
4. Ethan dedicated his efforts to protecting elephants by advocating against ivory poaching, raising funds for elephant sanctuaries, organizing fundraisers, educational workshops, and awareness campaigns.
5. Joining forces and organizing a grand fundraiser allowed the friends to raise enough funds to expand their animal rescue organization and make a more significant impact on wildlife conservation. It also strengthened their friendship.
