

Name _____

The Wishing Groundhog

Short Answer Key

1. Gracie's shadow had the power to grant wishes.
2. Oliver wished for all the animals of the forest to live in harmony and peace. His wish brought a newfound sense of unity and serenity to the land.
3. Felix changed his wish from endless riches and power to a wish for wisdom and understanding. He did this because he realized that true respect and happiness couldn't be gained through material wealth.
4. Gracie understood that she must use her power wisely and thoughtfully, and she couldn't grant selfish or harmful wishes.
5. The animals learned that wishes, when made with kindness and selflessness, could lead to a world where all living beings thrived together.
