## Justice on Trial

### Short Answer Key

1. Rosa Gomez argued that the González family's civil rights had been violated due to discrimination and environmental pollution caused by the nearby factory.
2. The corporation was found guilty of civil rights violations and ordered to clean up their pollution and compensate the affected families, including the González family.
3. The story conveys the message that it is crucial to stand up for civil rights and environmental justice, even when facing powerful opponents. It shows that dedication to justice can lead to positive change and inspire others to do the same.
