

Name _____

Tales of Bravery and Wisdom

Short Answer Key

1. Some themes included bravery, unity, perseverance, and the importance of cultural heritage.
2. Aiyana adapted her storytelling because the young listeners expressed a desire for stories that reflected their own lives and challenges.
3. Aiyana's stories helped the younger generation connect with their cultural heritage and inspired them to preserve it.
4. The young listeners realized that they, too, could be heroes in their own right and that preserving their cultural heritage was important.
5. Aiyana's storytelling sessions became cherished because they bridged the gap between generations and ensured the preservation of their cultural heritage.
