## Quests of the Mythic Realms

### Open-Ended Response Answer Key

1. Answers may vary. Example response: I would choose Mei Ling as my companion on the quest to the Forbidden Lotus Temple because her shape-shifting ability could help us gather information discreetly and outwit any obstacles we encounter. I would contribute by using my problem-solving skills to decipher puzzles and riddles.
2. Answers may vary. Example response: The ancient puzzle in the Forbidden Lotus Temple is a series of floating platforms that lead to a central pedestal. To solve it, I would use my ability to control the elements to manipulate the wind and create a path of stability to reach the pedestal safely.
3. Humor and camaraderie play a vital role in the heroes' quest by lightening the mood during challenging moments, strengthening their bonds, and keeping their spirits high. For example, Hiroshi's jokes and pranks bring laughter to the group, relieving tension and fostering a sense of unity.
4. If I were to make a wish at the Forbidden Lotus Temple, it would be for wisdom and understanding. The journey to unlock its secrets would change me by teaching me the value of teamwork, resilience, and the importance of using my unique abilities to help others in need.
