

Name \_\_\_\_\_ **Hubris**

# Hubris

Hubris means pride or excessive self-confidence. The concept has its roots in Ancient Greece, where the word hubris was used to describe human pride so great that it offended the gods. In Greek drama, a hubristic character usually receives a warning that danger awaits them, but their pride is so great that they proceed anyway. The saying, "Pride goeth before a fall" is about hubris.

Describe how each character pictured might exhibit hubris.
