## The 100 Rule Fiasco

### Open-Ended Response Questions

1. How did the school's celebration of the 100th day of school start, and why did it seem like a fun idea at first?
2. Describe the impact of the 100 new classroom rules on the students and teachers at Whimsy Elementary. How did the school change?
3. Do you think it's a good idea to have too many rules in a classroom? Why or why not? Provide examples to support your answer.
4. How did Dr. Doodlebug handle the situation when he realized that the 100 rules had become too complicated? What does this tell you about his leadership?
