## Chain Reaction

### Open-Ended Response Questions

1. Can you think of a time when one small action led to a big event in your own life? How is it similar to Mouse's story?
2. Why do you think Mouse keeps asking for more things? Do you think he realizes how much he is changing the boy's day?
3. If Mouse went back to school again, what new things do you think he would ask for? Why?
4. How does understanding cause and effect help us make better choices in real life?
