WHAT DO YOU SEE IN THE PICTURE?

Directions: Read the story and look at the picture. Answer the following questions.

I have a pet. Do you know what it is? Well, let me describe it to you first. My pet is cute; it has a tail and four legs. In addition, my mom gave the name Brownie to my pet because its color is brown. In the morning, my pet likes to go walking with me. It feels good to walk with Brownie.

When my pet is angry, it always wags its tail and barks too loudly. So, to calm Brownie, I usually give it fried chicken because it is its comfort food. Brownie is a nice pet, and it is more than just a pet for me; Brownie is a great best friend too. Now, can you make a guess what kind of pet I have?
