

Name _____ **Mood and Tone**

Mood

Mood is the feeling or atmosphere of a written work. Mood is evident throughout all aspects of a story.

setting	The words the author chooses to describe the setting. Foreshadowing in descriptions. The use of motifs.
style	The way a writer uses words to tell the story, how they structure sentences and use tenses and figurative language.
point of view	First, second, and third person POV affect the mood of the work in different ways.
tone	The writer's attitude towards the story, expressed through word choices, sentence lengths and use of punctuation
genre	Certain moods are inherent in specific genres.
