

Name _____ **Logical Fallacies**

Logical Fallacies

Red Herring

A logical fallacy is an illogical or misleading argument. One type of logical fallacy, called a red herring, means using something that isn't really relevant to distract attention from the actual argument.

DIRECTIONS: Write an example of a red herring argument in response to each prompt.

Argument Claim	Red Herring Response
Dogs are the most popular pet.	
The voting age should be raised to 21.	
School pictures should be abolished.
