

Name _____ **Vowel Diphthongs**

Vowel Diphthong: OO

DIRECTIONS: When two letters work together to make one vowel sound, the letter pair is called a diphthong. The diphthong oo can make two different sounds. Reach each word in the middle of the page. Does it have a middle sound like the word cow or like the word coop? Write each word in the correct column.

short oo sound as in book

shook	vroom	nook	bloom	wood
swoon	hood	noon	good	gloom

long u (ū) sound as in moon
