

ANSWERS

1. she has a heart condition
2. cries, then says she wants to be alone and she goes upstairs
3. that she is free
4. she thinks all men and women oppress each other
5. her husband walks in the door, he wasn't on the train, and isn't aware there was an accident
6. they say Louise had a heart attack from happiness at seeing her husband alive after all
7. Louis is happy that she has a life of freedom ahead of her, but it turns out her husband isn't dead after all. Instead of a life of freedom, and instead of feeling happy that he is still alive, she dies of shock when he unexpectedly returns.
