The image shows a matching exercise. On the left, there are four groups of clothing and accessories. On the right, there are four trees representing different seasons. Blue arrows connect the items to the trees. The connections are: Summer items (hat, sunglasses, flip-flops, tropical shirt, shorts) to the tree with yellow and orange leaves; Winter items (sweater, boots, gloves, hat, mittens) to the bare tree; Autumn items (orange sweater, umbrella, boots, scarf, basket) to the tree with pink blossoms; and Spring items (floral dress, gloves, bicycle) to the tree with green leaves.
