Script - A style of writing characterized by elegant and flowing characters.

Ink - A liquid medium used to create visible marks on a surface during writing or drawing.

Quill - A writing tool traditionally made from a bird feather, often used for precision and style.

Stroke - The individual lines or motions made to form characters in a design.

Nib - The pointed end of a writing instrument that delivers the medium to the surface.

Flourish - An ornamental addition to enhance the visual appeal of written characters.

Brush - A versatile tool used to create expressive and dynamic lines in artistic writing.

Lettering - The process of creating hand-drawn characters for decorative or expressive purposes.

Typography - The art and technique of arranging characters in a visually appealing manner, often digitally or in print.

Paper - The surface upon which designs, text, or artistic creations are applied.
