

# Decoding a Text with Pictures

**DIRECTIONS:** As you read, write each word that you don't know in the first box. Then look at the picture. Does anything in the picture start with the same beginning sound as the word that you wrote? For the words you are able to figure out, draw a picture of the word in the second box.

What does it mean? Draw it.

What does it mean? Draw it.

What does it mean? Draw it.

What does it mean? Draw it.
