## The Big Jet

Ted had a big jet. The jet was red and had big wings. Ted liked to zip in his jet. One day, Ted saw a big box by the bay. The box had a tag. It said, "For Ted."

Ted was glad and took the box. He put it in his jet and flew up high. When he was in the sky, Ted opened the box. In the box, there was a pet! It was a big, tan dog.

Ted was so happy! The dog wagged its tail and gave Ted a big lick. Ted named the dog Rex. Ted and Rex had a lot of fun in the jet. They flew over the hills and the sea.

Ted and Rex then saw a hut. They landed the jet and went to the hut. In the hut, there was a man with a cap. The man gave Ted and Rex a snack. They had a lot of fun.
