

Name _____

The Lost Lamp

Jill had a small lamp. It was her best lamp, and she kept it on her desk. One day, the lamp was lost. Jill was sad and looked for it all day.

First, Jill checked her closet. She found a vest, a sock, and a belt, but no lamp. Next, Jill went to the yard. She saw a frog on a rock and a bird in a nest, but no lamp.

Then, Jill asked her friend, Matt, for help. Matt was quick and smart. He said, "Let's check the shed!" They went to the shed and found the lamp next to a stack of books.

Jill was so glad. She thanked Matt and put the lamp back on her desk. Now, Jill and Matt had a fun story to tell.
