Hidden Mountain Adventure

In the hidden mountain,
Alex climbed a steep
hill early in the morning.

He carried a bundle of supplies in his backpack.

A calm owl hooted softly from a tall pine tree. Along the trail, Alex found a small, clear stream where he refilled his water bottle. Nearby, a tiny lamb grazed peacefully in a meadow. As he reached the top, he marveled at the beautiful valley below.

Suddenly, he spotted a silver bell hanging from an old cabin. The whole scene felt magical, like a page from a storybook.
