

Name _____

Jungle Adventure Quest

In a dense jungle, a brave explorer named Joseph set out on a quest. He carried a map that hinted at a hidden temple.

Along the way, he saw many interesting creatures, like a chorus of frogs that sang in harmony. Joseph's friend, a knowledgeable herpetologist, told him about the rare species of amphibians they might find. They climbed a steep hill to get a better view of the landscape.

From the top, they could see the outline of the ancient temple.

As they approached, they found a cryptic inscription on a stone tablet. With a sense of triumph, they finally reached the entrance of the temple, excited for the discoveries that awaited them.
