

Name _____

The Garden of Unity

Short Answer Key

1. Mrs. Patel used her gardening skills, and Mr. Garcia helped build the garden's fence.
2. The volunteers decided to plant a variety of flowers and vegetables from their respective cultures.
3. The garden became a symbol of unity by incorporating elements from different cultures and bringing the community together through events and celebrations.
4. The community hosted events like picnics, gardening workshops, and cultural festivals in the garden to promote unity and appreciation of diversity.
5. The story conveys the message that unity and diversity can create something beautiful and powerful, and that when people from different backgrounds work together, they can build strong and inclusive communities.
