

Name _____

The Watchful Eye

Short Answer Key

1. The narrator believes the eye is dangerous because he thinks it can see into his thoughts and secrets.
2. He sneaks into the old man's room every night and watches him sleep, waiting for the right moment.
3. He panics, thinking the sound is growing louder and that others can hear it too.
4. He can no longer handle the noise and guilt, so he confesses to the police.
5. His obsession makes him act irrationally, leading him to harm the old man just to get rid of the eye.
