

Parallel Structure

Parallel structure means using the same or similar grammatical pattern to show that multiple ideas are equally important. Parallel structure can occur at the word, phrase, or clause level. Parallel structure is used for dramatic, emotional, or even comedic effect. It can make lines more powerful and more memorable.

Write an example of each description of parallel structure.

1. parallelism of gerunds

2. parallelism of infinitives

3. parallelism of phrases

4. parallelism of clauses
