

Name _____ **Euphemism**

Euphemism

A euphemism is a word or phrase that is used to communicate something which, if said bluntly, might be found offensive. It's a way to say something politely that might otherwise sound harsh or rude.

Euphemisms can be a form of understatement because they soften the harshness of a situation.

DIRECTIONS: Create a one-pane comic in which one of the characters responds to the other with a euphemism.

A large rectangular frame containing two empty speech bubbles, intended for a comic strip.
