## The 100 Rule Fiasco

### Open-Ended Response Answer Key

1. The celebration started with the idea of inventing 100 new classroom rules, and it seemed like fun because it was a creative and unique way to mark the 100th day of school.
2. The impact of the 100 rules was chaos in the school, with students struggling to remember and follow the rules, leading to funny and embarrassing situations.
3. Answers may vary but should consider the balance between rules and fun, the importance of maintaining a conducive learning environment, and the need for manageable rules.
4. Dr. Doodlebug admitted the problem, called an emergency assembly, and decided to keep only a few favorite rules, showing that he was willing to address the issue and make necessary changes.
