

Name _____

Time Travelers on the Santa Maria

Open-Ended Response Answer Key

1. Answers may vary. Possible responses could include the challenges of adjusting to life on a 15th-century ship, the hard work involved, or the lack of modern conveniences.
2. "The true adventure was in learning and growing from the past" means that the most valuable part of their journey was the knowledge and experiences they gained from witnessing history firsthand.
3. The knowledge and experiences of the time travelers could help people in their own time better understand history, appreciate different cultures, and make informed decisions about the future.
4. Answers may vary. Possible historical periods to visit could include ancient Egypt, the Renaissance, or the American Revolutionary period, and the reasons for choosing them could vary from personal interest to a desire to learn more about specific events or cultures.
