

Name _____

The Whimsical Town Mystery Solvers

Open-Ended Response Answer Key

1. Emily solved puzzles, Jake used his tech skills, Sarah provided historical knowledge, Timmy relied on his intuition, and Gus helped with direction.
2. Answers will vary, but students may suggest that the group wanted to give back to the community, preserve their town's history, or show gratitude for the town's support.
3. Successful mystery-solving teams often have a mix of skills like problem-solving, technology expertise, historical knowledge, intuition, and teamwork.
4. Answers will vary. Encourage students to explain their choices based on their interests and strengths, such as enjoying puzzles, technology, history, or intuition.
