

Name _____

Once-ler's Regret

Open-Ended Response Answer Key

1. I would have planted new trees as I used them so the forest wouldn't be destroyed.
2. We can learn that using too many resources without thinking about the future can cause damage, just like pollution and deforestation today.
3. Dr. Seuss wrote The Lorax to teach people about protecting the environment and the dangers of greed.
4. The child might succeed if they take care of the seed and encourage others to help restore the forest.
