

Name _____

New Vampires

Open-Ended Response Answer Key

1. Answers will vary but should include creative ideas for changing vampire traits.
2. Some may argue they are more like humans because they have feelings, while others may say they are still vampires because they drink blood and live forever.
3. Making vampires more human-like allows readers to connect with them and see them as more than just monsters.
4. People enjoy new versions of myths because they offer fresh ideas and make old stories feel exciting again.
