

Name _____ **Angle Brackets**

Angle Brackets for Asides

DIRECTIONS: One function of angle brackets is to insert an aside. Add an aside to each sentence and enclose it in double angle brackets.

1. I'm going to the dance on Saturday with Paul.

2. I got an A on my science test.

3. I have never enjoyed eating caramels.

4. I had strange and interesting dreams last night.

5. In total, we got over a foot of snow.

6. Chili is very satisfying on a cold day.

7. Chris does a great job of keeping up with his laundry.
